The Peggy Browning Fund will honor Leo W. Gerard and Hugh J. Beins for their lifetime of service on behalf of working people. Under President Gerard's leadership, the USW added 350,000 members throughout North America and joined with Unite - the largest Anglo/Irish union - to create Workers Uniting, the first global union. Hugh Beins is founding partner with Beins, Axelrod, P.C., where he has passionately advanced workers' rights and has mentored countless union-side labor lawyers throughout his career.

The Fund is a not-for-profit organization founded in memory of Margaret A. Browning, a prominent labor attorney and the first union lawyer appointed a Member of the National Labor Relations Board. Through fellowships, workers' rights conferences, networking events and other programs, the Fund provides unique opportunities for law students to work for social and economic justice.
